TO WHOM IT MAY CONCERN

This letter is to confirm the employment by BMF Pty. Ltd. of Mr Nino Petterlin between 17 May, 2010 and 2 December 2011.

Nino worked for our Company as Site Foreman. During this time he ensured that the highest standards of Occupational Health and Safety were adhered to and he had the ability to engage with Sub-Contractors and their workers in a very positive way and to have them embrace OH&S principles in their productive endeavours.

He was able to lead the jobs that he ran to a successful and accident free conclusion and inspired substantial change in workplace behaviours amongst site personnel.

He has a wealth of experience and a very broad knowledge of construction methods and will always be an asset to the construction industry. His abilities as a builder were greatly appreciated and he will be missed by our Company.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'M. Donohue', with a long horizontal flourish extending to the right.
